

Institute for Creation Research
SCHOOL OF BIBLICAL APOLOGETICS
Master of Christian Education Degree

Admissions Checklist

- I am applying for the Master of Christian Education degree (M.C.Ed.) offered by the School of Biblical Apologetics (SOBA) at the Institute for Creation Research (ICR).
- I have reviewed the requirements for admission in the current SOBA General Catalog and believe that I meet all of the M.C.Ed. program admission requirements.
- I have a Bachelor's degree already, plus **either** I fulfilled the requirement to have an undergraduate minor in Bible, theology, Christian education, Christian ministry, or similar emphasis, **or** I am planning to take the SOBA Bible/apologetics entrance exam (either the written mail-in version **or** the telephone interview version).
- I have read the program description of the M.C.Ed., the course descriptions, the doctrinal statement ("tenets") of ICR, and the graduation requirements in the current Graduate Catalog. If I disagree with any part of ICR's tenets (www.icr.org/tenets) I will clearly disclose any such specific items of disagreement with my application materials.
- I have experience in using email and accessing the Internet, and my computer uses high-speed cable or wireless, so that I believe I have the technical ability to undertake and complete an online education program.
- I have submitted the \$50 application fee.
- I have completed the application form and submitted it online, by FAX, or mailed it to ICR at the address below.
- I have completed the essay and emailed it to msmith@icr.edu.
- I have contacted my college(s) in writing and requested that my official transcripts be sent to ICR.
- I have contacted my 2 references and requested that the completed reference forms be sent to ICR.
- I understand that the sooner my application, transcripts, and references reach the admissions office, the sooner a decision will be made on my acceptance.
